## Annual Easter Egg Hunt Planned Here on April 8

A swarm of Easter bunnies will descend upon Memorial Park Saturday morning, April 8, to hide over 3500 brightly colored eggs for the Albany Recreation Department's 14th annual city-wide Easter egg hunt, according to Emmett Devine, director of recreation. Albany boys and girls 12 years of age and under are eligible to participate.

## Excitement Up As Children's Fungram Nears

It will be "children's day" on Solano Ave. Thursday, April 6 when the Albany Solano Ave. Merchants' Association sponsor an Easter Fungram that will include a parade, prizes, decorated egg contest and free ice cream.

Platforms will be erected the first of next week at the corner of Solano Ave. and Key Route Blvd. where entries in the parade will be reviewed, decorated eggs judged and prizes awarded for the winners. The parade will start at 1 p. m. at Key Route and Solano. It will proceed east on Solano to Yerlita Ave. then return to Key Route where the program will get under way.

President John Smith of the Association has extended invitations to Mayor Bert Hill, Jack O'Keefe, president of Albany Chamber of Commerce, and Recreation Director Emmett Devine to serve as judges in the various contests.

Police Chief Stanley C. Williams and Fire Chief Fred Clement will have charge of safety precautions for children participating in the parade.

Children are invited to enter the parade with decorated bicycles, doll buggies, scooters and other vehicles, or to enter dressed-up pets or to wear costumes. Parade entries may contact Fred Clement at 1429 Solano Ave. or be at the corner of Solano and Key Route 12:30 p. m. Thursday.

Youngsters entering the decorated egg contest must submit eggs by March 31 and April 5 at the following locations: Joger's Men's Wear, 1985 Solano; McCarthy's Baby Shop, 1664 Solano; Gateway, Solano and Santa Fe; Flowerland, 1330 Solano, and McKay Gift Shop, 1389 Solano.

All eggs must be pre-cooked and properly marked with name and address on adhesive tape.

The Junior Accordion Band of Knudson School of Music, directed by Wilbur Davis, will furnish music.

## April 15 Deadline on Bicycle Registration

Albany youngsters have until April 15 to obtain the 1950 bicycle licenses without paying a 50 cent penalty, according to Police Chief Stanley C. Williams.

After April 15 a penalty will be added to the regular 50 cent registration fee, with the exception of bicycles purchased after that date, Williams said.

Sgt. Vernon Freeman, head of the bicycle bureau, announced today that 50 bicycles have been licensed to date for this year. A total of 978 bikes were registered during 1949.

## Food Sale April 1

Homemade chicken pies, salads, baked beans, Italian spaghetti, cakes, pies and cookies will be featured in a food sale sponsored by the Native Daughters on Saturday, April 1, at 1133 Solano Ave., announced today by Mrs. Lena Torchia, president. The sale will open at 11 a. m.

## Coble Heads Rotary Club

Albany Rotarians Monday night at an assembly-dinner meeting at O'Keefe's unanimously elected Elmer P. Coble, executive secretary of Albany YMCA, to succeed Ted Williams as president for the 1950-51 term.

Named to assist as secretary and treasurer was George Irwin, investigator for the Alameda County District Attorney's Office. He succeeds Jack O'Keefe.

New directors include William Young, architect; George Bernard, local merchant, and Dr. Paul C. Bryan, superintendent of schools.

Officers will take over the first meeting in July, following installation the last part of June.

Congratulating Coble on his appointment, Dist. Gov. Al Hackm of the Albany club said:

"In Rotary we can only chalk up what we have accomplished. I urge you to select strong committee chairman, who will work hard. Each of us in Rotary have a job to do."

Reports on the club's activities were given by the various committee chairmen. President Williams extended his thanks to each of the committees for their work and accomplishments during the past year.

Williams asked 100 per cent attendance at the annual district conference to be held at the Claremont Hotel on April 30, May 1 and 2.

Herb Foley, chairman of the annual party committee, reported that all arrangements have been completed for the big fête to be held June 10 at the St. Francis Hotel in San Francisco.

In other business, the Rotarians made plans to host the El Cerrito Club in an inter-city meeting here on April 17. Joe Villa was named chairman.

## Excerpts From The Avenues

By GENE EPLER

A request from a chap in South Africa this week confirms our belief that the Albany Police Dept. is better known than generally believed. Chief Stanley Williams received a letter from Hay Paddock, So. Africa, signed by a guy named K. Horseman, which read: Dear Sir, Kindly forward me particulars regarding enrolling in either the California State Police or the Albany Police Force. If it is convenient could you reply via air mail, yours, K. H. The Chief turned the letter over to the Civil Service Board, and we hear the request was in the mail this week.

Here's a peek at Albany's official emblem as adopted by the City Council a short time back. The Chamber of Commerce dreamed up the idea and has asked local merchants to use it on stationery, etc. Some say the petite gateposts are a little off balance, but maybe it's only the way they view it. What do you think?

We hear that the City has decided to build its new, up-to-date dog pound on city-owned property near the GG Fields parking lot. For the past few weeks the City has been waiting in hopes of landing a strip of State property (at a nominal fee) near the SP tracks, but no dice. They say the building, approximately 30 by 120 ft., will be constructed from scratch—abandoning the idea of using pre-fabricated materials. Meanwhile, the City is boarding its orphan dogs with the Berkeley Humane Society at \$1 per head.

Mr. and Mrs. William F. Rutlan, of 646 Spokane Ave., celebrated their 60th wedding anniversary last Sunday. The couple were married in Canada, coming to California in 1919. Rutlan retired from the marine engineering business about 15 years ago. They make their home with a son, Frank, an investigator for the California Highway Patrol in Oakland.

'Tis rumored that the wedding bells will toll soon for Humane Officer Melvin Meyer and an Oakland gal. But as we say, 'tis only a rumor. . . . Joe Villa showed up at the Rotary dinner Monday night at O'Keefe's in a new 4-block shirt, one you can spot four blocks away (contributed by Bob Pelegrini). . . . ## Census Opens On Saturday

Fourteen Federal census-takers will take to the field here Saturday to gather figures and facts on how Albany residents live.

Between April 1 and May 1 enumerators throughout the nation expect to account for 151,000,000 persons in the 17th decennial census. They will ask from 23 to 41 questions about each one and the house in which he lives.

Joseph Benjamin, vice-president and general manager of Albany Chamber of Commerce, today listed some of the reasons for local co-operation in the 1950 Census as follows:

1. The population count for each city combined with that of all other places in the State will determine the state's number of representatives in the U. S. Congress.

2. The City of Albany for the next 10 years will be ranked in all official population reports according to the 1950 count. This is important when businessmen consider new locations for stores and factories which mean local employment; when government authorities plan the development of public utilities and services; and when legislative bodies consider action on the distribution of school aid and other benefits.

Every question included in the 1950 Census has been carefully selected after many conferences between representatives of business, labor and government agencies.

Albany enumerators assisting with the Census include Beatrice E. Nathan, 509 Pomona; Levia E. Callan, 539 Key Route; Mayme McCormack, 623 Santa Fe; Evelyn Newfield, 1034 Ventura; Chester H. Vincent, 955 Talbot; Joseph Benjamin, 1101 Solano; Seymour Lesser, 1092 Yerlita; Edward Bryant, 1044 Coolidge; Charlotte M. Moore, 415 Cornell; Eva Atkinson, 112-H Sixth St.; Frank Takeuchi, 1231 Talbot; James W. Wilson, 1433 Marin; Alice Bonberg, 1136 Curtis, and Jay Haley.

## Candidates Discuss Platforms April 6

Candidates for the April 10 Municipal Election have been invited to give a five-minute discussion of their campaign platforms at an open forum to be sponsored by the Albany Junior Chamber of Commerce on April 6. The meeting time is set for 7:30 p. m. at the Cornell School Auditorium.

Serving as moderator for the forum will be Herbert Foley, past president of the organization. Bob Woolworth is in charge of program arrangements.

The public is invited to attend.

## Easter Sunrise Services Mapped For Albany Hill

Traditional Sunrise Service on Easter Sunday, April 9 this year, will again be held on Albany Hill under sponsorship of the Protestant clergy of Albany and El Cerrito. The time is scheduled for 7 a. m.

As plans for the annual service were outlined today, the program will include an Easter sermon by Will P. Ralph, lay leader of the California-Nevada Conference of the Methodist Church. The outstanding church leader will speak on the subject "He Lives."

Special music will be presented, along with the following program:

Call to worship, Rev. Robert L. Benefiel, Albany Community Methodist church; congregational hymns; scripture lesson and prayer, Rev. Rollin Wildin, Westbrae Baptist Church; offertory prayer by Rev. A. O. Odegard, First Baptist Church of Albany; Easter sermon by Will P. Ralph; congregational hymn, and benediction, Rev. Robert Tarr, pastor of El Cerrito Community Methodist Church.

Other pastors assisting with the service this year are Sarah Esmond of the Albany Nazarene Chapel and the Rev. Oscar J. Lee of Christ Lutheran Church.

Rev. Benefiel, chairman, said approximately 750 people attended the impressive Sunrise Service last year and it is the clergy's hope that many people will want to share in the worship this Easter Sunday.

Proceeds from the offering, as in past years, will go to the American Bible Society for their work in distributing Bibles throughout the world.

A public address system will be installed for the benefit of the throngs of worshippers.

## Learn-To-Swim Classes Set for Easter Holidays

The annual YMCA free Learn-to-Swim Campaign will be held here again this year during the Spring vacation week, April 3 through April 7, it was announced today by Elmer F. Coble, executive secretary of Albany YMCA.

The swimming program for boys and girls will be conducted from the Berkeley YMCA under the expert instruction of George Chessum and his staff of trained high school students.

"This is strictly a learn-to-swim program for boys and girls who cannot swim 60 feet," Coble said. "Classes will not be open to students who can already swim."

Each class will be limited to 30 pupils, receiving five lessons of 40 minutes throughout the five-day program. The National YMCA and American Red Cross tests will be given as progress is made.

Applications were placed in local schools this week for students in the fifth, sixth, seventh and high school grades. The "return part" of the applications must be properly signed by parents or guardians, Coble said.

Students must provide their own bathing suits and towels, and girls are required to wear bathing caps.

Swimming periods are scheduled as follows: High school boys, 8:30 to 9:15 a. m.; grade school boys, 9:15 to 10 a. m.; high school girls, 1:45 to 2:30 p. m.

## Observance Asked On Good Friday

In observance of Good Friday, the Albany Chamber of Commerce today requested that local merchants close their stores on Friday, April 7, between the hours of 12 noon and 3 p. m., according to Jack O'Keefe, president.

The Albany Theatre in cooperation with the Federation of Churches has booked a special Saturday morning showing of Cecil B. De Mille's "King of Kings," scheduled from 10 a. m. to 12 noon. The Biblical film will be shown to the public admission free.

## Cerrito Wallops Marin Dads 9-1 In League Opener

The Cerrito Civic Club defeated the Marin Dads 9 to 1 in the opening game of the Albany Recreation Department's Spring Softball League played last Sunday morning at Codornices.

Milo Walden, chucker for the Cerrito nine, held the Dads to eight scattered hits, while his teammates collected 10 hits from pitcher Don Phil.

In a second game, the Cavaliers scored over the Maccabees 6 to 1. Going into the top half of the 7th with the score 1 to 0 favoring the Maccabees, Warren Gould got off to a bad start by walking the first man. Don Hughes, second man up, smashed a home run making the score 2 to 1.

A few minutes later with the bases loaded; Jim Navarro banged out another home run making the final score 6 to 1.

Phil Verelli was credited for the Maccabees' lone tally by smashing out a long home run to left center field.

Both games at Memorial Park were postponed because of wet grounds.

Games scheduled for Sunday, April 2, include the following:

Gillvets vs. Eagles, 10 a. m. Memorial; Cerrito Civic vs. El Dorado Oil, 11:30 a. m., Memorial; Maccabees vs. Codornices, 10 a. m., Codornices; Cavaliers vs. Marin Dads, 11:30 a. m., Codornices, and Albany Jaycees, bye.

## Area Exchange Clubs Plan Joint Meeting

The Exchange Clubs of Albany, El Cerrito and Richmond will host State President Willis Weeks of Fresno and State Secretary A. V. Jordon in a joint meeting 7 p. m. Wednesday at the Six Bells in El Cerrito.

The Albany Club Tuesday evening celebrated the 39th anniversary of the National Exchange Club, the oldest service club in America.

A resume of the club's national history was given by William Garren, pointing out how the Exchange Club, along with the American Legion and Daughters of the American Revolution, had sponsored active campaigns against subversive activities in America.

A large birthday cake with 39 candles was prepared by Henry Hendriksen. Favours for the party were arranged by Ed Haran.

President Sid Weinzeimer introduced guest Jerome Blank, candidate for the City Council.

## Mrs. Zahn Submits 1000 Names

Albany's proposed city manager form of government was blocked this week after Mrs. Kathie Zahn, a candidate for the City Council, filed referendum petitions with the City Council which will prevent the measure from taking effect April 3 as scheduled.

Petitions bearing 1000 signatures were submitted by Mrs. Zahn at the Monday night session.

The Council referred the petitions to Mrs. Myrtle McLean, city clerk, for checking. Mrs. McLean estimated that it would take about a week to check the signatures, 915 which must be valid registered voters.

City Attorney George Glavinovich said the Council could follow one of three propositions if the petitions are declared in order. He said the Council may repeal the ordinance, place it on the June 6 ballot as a referendum measure, or call a special election to decide the issue.

Mrs. Zahn's action marks the second time within 10 months that she has blocked Council-backed proposals by the referendum petition method. Last June she forced the Council to repeal the proposed parking meter ordinance after presenting petitions with 1400 signatures.

In an effort to force the city manager issue on the ballot, Mrs. Zahn said that she recruited 773 of the names, while the balance was solicited by Richard H. Pawson, of 633 Carmel Ave. and Mrs. Catherine Stanley, of 716 Johnson St.

In other business, the Council approved the rezoning of a residential lot located behind the Solano Ave. Safeway store, between San Carlos and Santa Fe Ave., for the construction of a \$17,000 triplex. The request for the rezoning was made by Dawson L. Huff of Oakland, owner.

## VFW, Auxiliary Name Officers

Albany Post No. 2658, V.F.W., and its Auxiliary Unit this week named new officers to serve for the 1950-51 term. Joint installation ceremonies for the organizations will be conducted from the Veterans Memorial Building 8 p. m. on April 18, in which the public is invited to attend.

Commander Ralph Beemer announced the new slate of officers for the Post includes the following:

Edward Chicou, commander, son of Past Commander Erle Chicou; George E. Willis, senior vice commander; Robert Cushman Jr., vice commander; Ralph Beemer, judge advocate; Robert Dalton, chaplain; William J. Dickson, surgeon; Erle Chicou, three-year trustee; John Brison and Don Burnham, county council delegates.

District delegates are John Brison, Erle Chicou, Lloyd Grubbe, George Willis, Robert Cushman, Don Burnham, Lavern Anderson and Herbert O. Walters.

Auxiliary officers, according to President Dorothy Willis, include the following:

Madeline Woodard, president; (Continued on page seven)

## ALBANY SOROPTIMIST SCRIBBLINGS

Life was tranquil Wednesday at the Soroptimist luncheon. A few fines, a few guests, a large lunch and Mary Loos home again after her sojourn in Mexico.

Edith Lennox passed out tickets for the "Soroptimist Varieties" and imprompted each one to sell her quota—plus! That show is really going to be a wow. But Louise Storck is beating the publicity drum, and it really isn't our department. So all I'll say is "Save the date—April 29."

International House guest of the club was Lotar Schultze, Church World Service exchange student from Germany. After studying Christian Education four years in Hamburg and one year in the U. S., he returns soon to the U. S. Sector of Occupied Berlin.

In a few touching remarks, Schultze expressed gratitude to the United States for day-to-day concern for the Germans and their situation.

"Doubt in humanity brings despair to the heart," he said, "but the German youth who had religious associations and vision were among the first to recover emotionally after the war."

He reiterated many times that if Germany is given a choice and the liberty to express herself, her people will choose democracy as their

## Six Teachers Resign Here

Nurse Mary Gill holds the new son of Mr. and Mrs. C. W. Otto of Albany for his first photograph as Carl Dial, inventor of a new automatic camera recently installed at Herrick Memorial Hospital shows her how to operate it. **Lots of Hot Water**  
**when you have**  
**extra gallons on hand!**

**FIRST BATH HOT**

**SECOND BATH HOT**

Can you get "generous second helpings" of hot water in your home? Too often water heaters are too small to deliver hot water as you like it—for two baths in a row. Or if hot water is being used in the kitchen or laundry—there is nothing but cold water left for bathroom use.

An Automatic Gas Water Heater should be "sized up" to fit your family's needs. It is the smart thing to do. It is thrifty too. A larger water heater delivers extra gallons of hot water when you need them... at lower cost per gallon. Be guided by the chart below when you buy your next Automatic Gas Water Heater.

**How to buy your next Gas Water Heater**

**1. PROPER SIZE.** A fully adequate water heater costs so little more now, and will save you from having to make costly replacements later.

**2. QUALITY MAKE.** You will get longer, better service when you buy a top-quality automatic gas water heater that carries a manufacturer's guarantee.

**It costs less to heat water in California**

rates are among the lowest in the nation

**"The Palm Sunday Parade"** will be the sermon subject of the Rev. A. O. Odegard at the 11 a. m. service Sunday at the First Baptist Church.

The Chapel Choir will sing "Ride on in Majesty," and Marian Callcott, soprano, will sing "There Is a Green Hill Far Away."

The Rev. Odegard will speak on "What About Baptism?" at the 7:30 p. m. gospel service. Special music will be offered.

Three special services are scheduled at the church during Easter week. They are as follows: Wednesday, 7:30 p. m., "The Trial of Jesus, the Most Unjust in All History"; Thursday, 7:30 p. m., "The Uplifted Christ," and communion; Friday, 7:30 p. m., the Chapel Choir Easter Cantata, "The Seven Last Words of Christ," by Dubois.

## Homemaking Today

By Marguerite Fanner  
Director of Home Economics, P. G. and E.

Using wax polish in your house-keeping is a good way to make cleaning easier and faster, because dust and dirt stay on top of surfaces and can be removed easily with a cloth or mop.

Waxing furniture, wood floors and linoleum to keep them new-looking is a familiar use, but there is a surprising variety of other household articles which benefit by a good coating of wax. For example, you can use it on many leather articles, such as luggage, shoes, purses, leather-topped casual tables or upholstery. It keeps the leather from drying out and becoming soiled and worn, and improves its appearance.

Wax also keeps metal objects—copperware, book ends, wall brackets, porch and garden furniture, fireplace equipment—from tarnishing and corroding.

There is a wax especially prepared for nearly every purpose. Cream wax is the most recent development in household waxes. It is particularly formulated for use on furniture, light woodwork and enameled kitchen equipment. Special cleaning ingredients remove dirt and stains as it is applied. It does not contain oil and therefore does not create a difficult cleaning problem. Only a minimum of buffing is re-

quired to bring out a smooth-satin finish.

Paste wax is an all-purpose wax that can be applied effectively to almost any kind of clean surface. It adds a rich, warm lustre when applied and gives maximum protection. It is especially recommended for tables, desk tops and other pieces of furniture on which liquids are likely to be spilled or that might become scratched. It is equally good for leather and metal surfaces.

Liquid cleaning and polishing wax actually is a paste wax in liquid form with a cleaning agent added. It dry-cleans surfaces, thus eliminating the necessity for harsh scrubbing. Many homemakers prefer liquid cleaning and polishing wax because it is easy to apply and does an excellent cleaning job. It is recommended for wood floors, linoleum, furniture, and leather and metal surfaces. Buffing takes less time if you are careful to apply only a thin coat.

Self-polishing wax gives a bright, high shine without rubbing or buffing. It is easy to use and is easily removed. This type is especially suited to areas such as kitchen linoleums which need special attention because of constant use. It also is good for use on rubber tile floors and other rubber surfaces.

### Grace Lutheran

Palm Sunday will be observed at Grace Lutheran Church, Santa Fe Ave. at Ward Ave., at the 11 a. m. service Sunday. The Rev. Orvin R. Janke, pastor, will speak on the topic, "Religion Is Not Enough."

New members will be received during the morning worship, and the chapel choir, directed by Verla Grumm, will sing the anthem, "All

Glory, Laud and Honor," by Mason. Mrs. Russell Rowe is accompanist.

Two services are scheduled during Holy Week. A service and Holy Communion will be held 7:45 p. m. Thursday at the church, and on Good Friday at 7:45 p. m. At the Friday service, the pastor will speak on "It Is Finished."

The choir will be heard in both services.

## COMMUNICATED

Editor:

Thank you! Citizens of Albany.

I wish to extend my sincerest thanks to all who so wholeheartedly supported me in obtaining the necessary signatures for the Referendum Petition referring to Ordinance No. 610.

Now the citizens of Albany will have a chance to vote on the controversial question as to whether or not Albany should have a "city manager".

My only regret is that lack of time prevented me to contact every one who had wanted to sign this petition.

Albany, March 31, 1950.
